## End of Year Testing.

At this time of year the whole school sit their end of year tests. From 1st May until the Middle of June Primary 2-7 pupils will complete online testing in Numeracy and Literacy. This helps track their progress and provides information to teachers to analysis. Attendance and punctuality are important during this time as we hope to give everyone the best possible chance of performing well. Please encourage your child to take their time; read questions slowly at least twice, don't leave the test page, if you have extra time review your answers and don't submit until told. Why not ask some quick numeracy questions on a long car journey.

## St. Ciaran's College Entrance Exam

St. Ciaran's College have confirmed the date of their Taster Day (entrance exam) as 6th June 2024. Children should continue to use Mathletics and reading Eggs in the preparation for this assessment. Good luck to all the Primary Seven pupils sitting this exam.
